BRIEF ABSTRACT OF LETTER.

Requests that Inspectors may be appointed under sec: 4 (1) of the Mysore Factories Regn

NOTES AND ORDERS.

if a fresh notn has to issue now under the new Regn

2) Further certifying Surgeons for have to be appointed under section 6 Under sec 5 of the Ad. Regn corresponding to the sec 6 of the present Regn Civil Surgeons in each Dt and such other person practising medicine or Surgery as the Govt may appoint in this behalf were constituted the certifying surgeons But under the present Regn the civil surgeons are not mentioned Therefore it is doubtful if on the absence of a notn to that effect the civil surgeons can now exercise the powers of a certifying surgeon. The other certifying surgeons appointed by notn No 322-331- Legs 31-05-4 dated 3/8/1906 ~~can not~~ under the Ad Regn can however exercise the functions of a certifying surgeon under the new Regn & until a fresh notn is issued But

6) The Rules under the Factories Regulation were issued last May. The Deputy Commissioner of Salem requests that as Inspectors have not been appointed under the Rules, a Notification may issue appointing the same. The Rules were issued on the basis of those issued in Madras. But the Notification under which the Rules were issued did not repeal, modify or amend the Notfn No 86 25-Leg 68 [94] 1.1901 under which Inspectors were appointed. Hence the Notfn is still in force. Under S 24 of the General Clauses Regulation, Rules, orders, &c issued under the repealed enactment shall be [deemed] as it is not inconsistent with the provisions re-enacted, continue in force, and be deemed to have been issued under the provisions so re-enacted, unless until it is superseded by any order, rule or notification. Though there is thus no necessity for a fresh rule, still there may be no objection to rescind the notfn under the existing Regulation. In Madras no Notfn has been issued under the new Act, on the principle mentioned above, such Notfn is apparently found unnecessary.

7) Incidentally it is noted that there is a slight difference between the two Regulations in regard to the appointment

certifying Surgeons. The Civil Surgeon is not specifically mentioned as one of the certifying Surgeons in the new Regulation (vide 56) as under the old Regulation we have no such designation here now as Civil Surgeon. He appointing the corresponding appointments as District-Medical officer. If appointed, a draft notification will be issued appointing him Dist. as certifying Surgeon.
